

Additional Information Needed For Ordering Dual Plate System

TEAR SHEET

Please advise:

- 1: Preferred pipe connecting loop between two plates. **A-B or C-D?**
- 2: Preferred pipe to unit exit point. **A or B or C or D?**
- 3: Required pipe length from **X to Y?**
- 4: Distance **wall to wall** that plates are mounted upon?
- 5: Are the plates to be Landscape (wide) or Portrait (tall)?

This will allow us to build specific to your projects needs.
